

Dalit Studies

Talks that Indian history has been written by people of upper caste and wealthy peoples is in existence from many decades. Idea of re-writing history and thoughts have come hand-in-hand. In this way dalit and backward class are efficiently working in recruiting the country's history. These kinds of thoughts and deep analysis of this are published by University.

Through dalits vision, our traditional history is re-constructed books are published related dalit's and their literature, culture and movement and seminar papers.
