

## Karnataka Devalaya Kosha (Cyclopaedia of Temples of Karnataka)

Temples of Karnataka in different forms helps in study of culture, since it has many dimensions and is uniqueness. Temples are distinguished on the basis of sculpture, architecture, dharmic worship, folklore, economy etc., Researcher's do research studies on temples on the basis of its sculpture and architectural importance, workshop importance and familiarly among people. But temples that come in districts boundary and temples in its taluk levels are out of researchers sight. In this aspect Kannada University has taken up a memorable project "Karnataka devalaya Kosha". (Volume of Karnataka temples). In this way complete information on temples of all districts of Karnataka has taken into account nine books have been published.
